HUDGINS GOES DUCK HUNTING

'Twas at "Retreat" not long ago,
That this "stunt" was pulled on Hudgins, just so:
Now Runnels and Mell into ranks did fall,
Wearing hunting coats so Hudgins did ball,
"Where are you going with your coats of tan?"

And they answered, "We're going after ducks, if we can."
Hudgins is a hunter and can shoot right well,
And of course for the "gag" he quickly fell
And went swiftly off like a bat
To borrow a gun, some shells, and a hat.
Now Hudgins enthused from his head to his toes
Began to ask questions and to scratch his nose.
Then Runnels and Mell made a bad play
By telling "Bobjack" they'd get "Dick" on the way.
But that fixed it all and Hudgins said, "Shucks,
Who ever used a dog to hunt ducks?"

Who Made the Kaiser

Some people were made to be soldiers,
But the Irish were made to be "cops,"
Sauerkraut was made for the Germans,
And spaghetti was made for the "wops."

Fish were made to drink water,
And bums were made to drink booze,
Banks were made for money,
And money was made for the Jews.

Everything was made for something,
Most everything but a miser,
God made Wilson President,
But who in H—— made the Kaiser???

Gold Football Awarded

On Saturday, March 13th, Major Roller announced that he was going to present to the most valuable man on the football team, the gold football. It is the greatest honor that can be bestowed upon a man in athletics. It is one that every man on the team wishes for, and much extra hard work is done for it. The requirements are that the man who receives this honor must play in every game and is the most valuable man to

the team. The Captain of the team was unable to be considered on account of injuries received in the F. M. S. game that kept him from practice for the remainder of the season. After telling what a pleasure it was for him to present this ball and how hard it was for him to pick the man who deserved it, Major Roller presented the football to J. E. Runnels, Assistant Captain of the team.
